FOR IMMEDIATE RELEASE:

**RANSOHOFF INTRODUCES NEW CLEANING SOLUTIONS AT WISCONSIN
MANUFACTURING & TECHNOLOGY SHOW 2023**

Ransohoff a division of Cleaning Technologies Group, a world leader in providing cleaning and waste minimization technologies, will introduce a host of advanced cleaning solutions at the Wisconsin Manufacturing & Technology Show (WIMTS)2023 in West Allis, WI October 3-5, 2023. Visitors to the Ransohoff Booth #1023 will be introduced to several new products, technologies, and services. Among the new technologies exhibited at the show will be:

Mini Parts Washer: the Mini Parts Washer represents a cleaning breakthrough for manufacturers of small parts. This compact conveyerized system is for continuous, one-at-a-time, parts cleaning at the point of manufacture. This Mini Parts Washer was designed by Stoelting and manufactured by Ransohoff.

We will have technical experts available at the show to explain our technologies more in-depth and to provide suggestions to our customers for improving their cleaning processes.
