FOR IMMEDIATE RELEASE:

CLEANING TECHNOLOGIES GROUP, LLC NAMES JEFF MILLS PRESIDENT - RANSOHOFF AND BLACKSTONE-NEY ULTRASONICS

December 2025 – Cincinnati, OH

Cleaning Technologies Group, LLC (CTG) is pleased to announce the promotion of Jeff Mills to President – Ransohoff and Blackstone-NEY Ultrasonics. Jeff brings a wealth of experience and proven leadership to this role. His extensive background at Ransohoff—spanning multiple departments and responsibilities—along with his steady advancement throughout the organization, gives us full confidence in his ability to guide both divisions toward continued success and future growth opportunities. His deep understanding of our business, paired with his demonstrated ability to deliver results, makes him exceptionally well suited for this important leadership position.

In his new role, Jeff will oversee all aspects of the Ransohoff and Blackstone-NEY Ultrasonics businesses. His strong leadership will play a key role in strengthening customer relationships and driving both existing and new business initiatives.

“Jeff’s dedication, expertise, and passion for our customers have been invaluable throughout his 25+ years with Ransohoff,” said Barney Bosse, Chief Executive Officer of Cleaning Technologies Group, LLC. “We are excited to see him lead our efforts to achieve the CTG Vision— ‘To Be Our Customer’s First Choice’—and continue to drive growth and excellence across our organization.”

Jeff is a graduate of the University of Cincinnati and holds a Bachelor of Science in Mechanical Engineering.

Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff located in Cincinnati, Ohio; Blackstone~NEY Ultrasonics located in Jamestown, New York; and CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.

NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, a world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.
