RANSOHOFF HIRES DENNIS BYRNE AS REGIONAL SALES MANAGER

February 2026 – Cincinnati, OH

Ransohoff, a division of Cleaning Technologies Group, is pleased to announce the hiring of Dennis Byrne as Regional Sales Manager, effective February 2026.

“Dennis comes to us with the ambition and drive our growing organization values, along with a strong technical background and a process-driven mindset that aligns well with our customers’ demands,” said Dale Bowden, National Sales Manager at Ransohoff.

Byrne has spent his entire career in manufacturing, bringing a deep understanding of industrial processes and customer-driven solutions. He offers a strong technical foundation and a proven record of sales success.

“I’ve spent my entire career in manufacturing, working closely with customers to support process-driven solutions,” said Byrne. “I’m excited to apply that experience to help Ransohoff continue delivering effective, technically driven cleaning solutions.”

In his new role, Byrne will focus on expanding Ransohoff’s industrial and geographic market presence while supporting customers with technically driven cleaning solutions.

About Ransohoff

Ransohoff, a division of Cleaning Technologies Group, is a leading manufacturer of industrial parts cleaning systems and solutions. With over 110 years of experience, Ransohoff provides innovative cleaning technologies to companies across a wide range of industries.

Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets. CTG is comprised of Ransohoff and Blackstone~NEY Ultrasonics located in Cincinnati, Ohio; and CTG Asia located in Suzhou, China. The Group is the premier provider of high technology, environmentally friendly parts-cleaning and waste-minimization equipment and services to the global marketplace. CTG LLC is a wholly owned subsidiary of NM Group Global, LLC.

NM Group Global LLC is a holding company for a growing group of manufacturing firms with a global reach for sourcing and marketing. Founded in 2002 with the purchase of National Machinery LLC, a world leader in the development and manufacture of cold forming machines, process technology, and aftermarket services. National Machinery, founded in 1874, is headquartered in Tiffin, Ohio with service centers and sales offices throughout the world.
